

Curriculum Vitae

Keith Hunley

Department of Anthropology

MSC01-1040, Anthropology 1

University of New Mexico

Albuquerque, NM 87131

Website: <http://keithhunley.wixsite.com/keith-hunley>

Education

- 1980 BS, Biology, Purdue University
- 1996 MA, University of Michigan, Anthropology
- 2002 PhD, University of Michigan, Anthropology

Postgraduate Training

- 2002 – 2004 Faculty Research Fellow. Department of Human Genetics. University of Michigan

Professional Appointments

- 2011 - Associate Professor. Department of Anthropology. University of New Mexico
- 2005 – 2011 Assistant Professor. Department of Anthropology. University of New Mexico
- 2004 – 2005 Visiting Assistant Professor. Department of Anthropology. University of New Mexico

Professional Recognition and Honors

- 2016. Quality Matters Certification for Anthropology 150
- 2016. UNM Online Course Advisory Council's Best Practice Certification for Anthropology 150
- 2015. Invited Commentary. Proceedings of the National Academy of Sciences
- 2015. Invited speaker. Morrison Institute. Stanford University.

- 2015. Keynote speaker. American Association of Physical Anthropologists annual meeting. Symposium: Thinking anthropologically about genetics.
- 2013. Nominee. UNM Outstanding Online Teacher of the Year
- 2009. Invited Speaker. 200th anniversary of Charles Darwin’s birth. Biology Department. University of New Mexico.
- 2007. Nominee. UNM Outstanding Teacher of the Year Award
- 2002. Roy A. Rappaport Teaching Award. Department of Anthropology. University of Michigan
- Michigan 1999 – 2001. Genome Sciences Training Fellowship. National Institutes of Health. University of Michigan

Scholarly Achievements

Citation indices	All	Since 2012

Research Funding

- Personalized genomic testing for melanoma: maximizing personal utility and reach. National Cancer Institute. National Institutes of Health. 1R01CA181241-01A1. Co-investigator (PIs: Jennifer Hay and Marianne Berwick). \$735,067. 2014 - 2017
- The cultural and biological significance of ethnic substructure in New Mexican Hispanics. National Science Foundation. BCS 0962825. PI: Keith Hunley. \$327,703. 2010 - 2015
- The relationship between genetic admixture and sociocultural history in New Mexico. UNM Research Allocation Committee. Discipline-specific Large Grant. PI: Keith Hunley. \$7,260. 2009
- Effects of genetic ancestry and socio---cultural factors on susceptibility to tuberculosis in Mexico. Wenner Gren. Bonnie Young and Keith Hunley. \$12,969. 2009.
- Dynamics of hunter-gatherer language change. National Science Foundation. Co-PI: Keith Hunley (PI: Claire Bowern, Yale University). \$723,133. 2008
- Symposium: Race Reconciled? How biological anthropologists view human biological variation. Funded by UNM Maxwell Museum, Departments of Anthropology and Biology, Office of Research. \$12,000. 2007
- Linguistic and genetic coevolution and implications for human evolution. UNM Research Allocation Committee. Discipline-specific Large Grant. PI: Keith Hunley. \$7,185. 2005

- Population stratification in New Mexican Hispanics and implications for medical and anthropological genetic research. UNM Cross Campus Collaboration in the Life Sciences. PI: Keith Hunley. \$24,214. 2005

Teaching

- Hunley, K. (2015), "Genetic and linguistic evolution and coevolution", in Rosenberg, N. and Nielsen, R. (eds), Human Population Genetics II, The Biomedical & Life Sciences Collection, Henry Stewart Talks Ltd, London (online at <http://hstalks.com/?t=BL1963892-Hunley>)
- Introduction to Anthropological Genetics. ANTH 364.
- Anthropological Genetics. ANTH 455/555. BIO 452
- Evolution and Human Emergence. ANTH 150
- Evolution and Human Emergence. ANTH 150 on-line (Certified by Quality Matters and UNM Online Course Advisory Council)
- Modern Human Origins & Prehistory. ANTH 450/550
- Race and human evolution ANTH 450/550
- Human Genetics. ANTH 555
- Population Genetics. ANTH/Biology 491/591
- Measuring and interpreting human variation. ANTH 550
- Computer Aided Inferences in Natural Science. ANTH 450/550

Guest Lectures, Seminars, Symposia, and Public Anthropology

- 2015. Morrison Institute. Stanford University. The structure of human genetic diversity: more evolution and less race
- 2014. Contributor. Maxwell Museum of Anthropology Exhibit. The Cultural and Biological Significance of Ethnic Substructure in New Mexicans of Spanish-speaking descent.
- 2014. Co-creator, Heritage New Mexico website. <http://heritagenm.unm.edu/>
- 2012. Genetic and Linguistic coevolution. UNM Department of Linguistics seminar.

- 2011. Admixture in New Mexicans of Spanish-speaking descent. UNM Division of Epidemiology and Biostatistics.
- 2009 Community Radio Series in Public Anthropology. UNM Alfonso Ortiz Center for Intercultural Studies.
- 2009 UNM Darwin Day Symposium: There are no races, there are only nested hierarchies.
- 2009 Population Genetic Structure and Admixture in New Mexican Hispanics. UNM Division of Epidemiology and Biostatistics.
- 2008 UNM Faculty Symposium sponsored by the Alfonso Ortiz Center for Intercultural Studies. The social and health-related implications of sociocultural and biological variation in New Mexicans of Hispanic descent.
- 2008 UNM Faculty Symposium sponsored by the Alfonso Ortiz Center for Intercultural Studies. The Social and Scientific Implications of Biological, Cultural, and Linguistic Variation in New Mexican Hispanics.
- 2007 UNM Symposium: Race Reconciled?: How biological anthropologists view human biological variation. Organized by K Hunley and H Edgar.
- 2007. Contributor. UNM Maxwell Museum of Anthropology Exhibit. Tools of the trade: How biological anthropology is done. May 25-November 3, 2007.
- 2007 Linguistic and Genetic Coevolution in Native America. Perspectives in Human Ecology Seminar. UNM Department of Anthropology.
- 2007 The global pattern of human genetic variation: no clines, no trees, and no races. UNM Program in Interdisciplinary Biological & Biomedical Science Seminar.
- 2007 Guest Lecturer for FLC-623: Genes, peoples, languages. UNM Freshmen Learning Communities.
- 2006 Linguistic and genetic coevolution in Native America. UNM Department of Linguistics,
- 2006 Is there a biological basis for human race? UNM Department of Anthropology Archaeology Seminar.

- 2005 Guest Lecturer for FLC-623: Genes, peoples, and languages. UNM Freshmen Learning Communities.

Service

- Associate Editor. Human Biology
- Director. UNM Department of Anthropology Undergraduate Committee
- College Assessment Review Committee. UNM College of Arts and Science,
- Search committee, interim Maxwell Museum Director. 2016. UNM
- Outcomes assessment protocol development and implementation. UNM Department of Anthropology.
- Grant/manuscript reviews, including National Science Foundation, Science Magazine, Scientific Reports, Proceedings of the National Academy of Sciences, Proceedings of the Royal Society of London B, American Journal of Physical Anthropology, PLoS One, Human Biology, Human Nature, Wenner-Gren Foundation
- Advisory Group member. UNM Department of Anthropology
- Advisory council member. UNM Program in Interdisciplinary Biological and Biomedical Sciences. 2006-2008
- Local Arrangements committee. Human Biology Association Meetings. 2011. Albuquerque, NM
- Search committee. Evolutionary Anthropology faculty position. 2007. UNM
- Organizer. Evolutionary Anthropology Journal Club
