

Jacqueline Marie Kocer

CURRICULUM VITAE

PERSONAL INFORMATION

3401 Campus Blvd
Albuquerque, NM 87106
E-mail: Jkocer@unm.edu

EDUCATIONAL HISTORY

Undergraduate: University of California, Davis (2002-2005)
BA, International Relations
BA, Spanish

Graduate: University of New Mexico (2012-Present)
MA Anthropology (Archaeology) (May 2014)
PhD, Anthropology (Archaeology) *in progress*

RESEARCH INTERESTS

My main interests are in the pre-Hispanic American Southwest with a focus on intergroup interaction in peripheral populations, specifically the Gallina peoples (A.D.1050-1300) of northwestern New Mexico. Research topics include mobility, identity and interaction through the examination of ceramics, stone tools, and architecture. I am also interested in subsistence and settlement systems in high elevation areas.

ACADEMIC POSITIONS

Fall 2016 University of New Mexico
Teaching Assistant working with Drs. Wills and Crown at the Chaco Canyon Field School

Summer 2014 University of Colorado, Boulder
Teaching Assistant working with Dr. Douglas Bamforth.
Archaeological field school excavation of a Plains Village Tradition ceramic firing pit and possible residential feature in northwestern Nebraska (25DW166)

Fall 2013-Spring 2014
& Fall 2015-16 National Endowment for the Humanities awarded to Dr. Patricia Crown, University of New Mexico
Lab Manager
Analyzing and cataloging artifacts excavated during the Summer of 2013 at Pueblo Bonito, Chaco Canyon Room 28. Project Description: Chocolate, Cylinder Jars, and Ritual in Chaco Canyon, New Mexico, analysis, and interpretation of archaeological remains for further evidence about the ritual use of cylinder jars in Chaco Canyon, New Mexico between 1000 and 1140 AD.

- Spring 2013 &
2015-16 Maxwell Museum of Anthropology, UNM
Graduate Assistant overseeing student project, working with the Maxwell Museum collections and the using the Oracle database.
- Fall 2012 University of New Mexico
Graduate Assistant for Anthropology Method and Theory (ANTH 121)
- Summer 2012 University of Colorado, Boulder
Teaching Assistant working with Dr. Douglas Bamforth.
Archaeological field school excavation of a Plains Village Tradition ceramic firing pit in northwestern Nebraska (25DW166)
 - Involved the use and interpretation of remote sensing technologies

EMPLOYMENT

- Fall 2012-Spring 2013 **Assistant Laboratory Manager**, Office of Contract Archeology, University of New Mexico.
 - Lab duties include
 - Maintenance of artifact databases, processing of flotation samples, artifact inventory and check-in.
 - Maintenance of equipment and assists in field logistics for project directors.
 - Lithic data collection and analysis
 - Field duties include
 - Site recording, in field lithic and ceramic identification and mapping with Trimble GPS using Archpad

(15 hours/week for 8 weeks)

FIELDWORK EXPERIENCE

- Summer 2016 **Crew Member** for Dr. Wills mapping of sites along the Chaco Wash
- Summer 2016 **Crew Member** for Dr. Bruce Huckell's excavation of the Hartley Mammoth Site near Abiquiu.
- Fall 2015 **Volunteer Crew Member** for the excavation of pit houses at the Mogollon Creekside Village site
- Summer 2015 (June) **Crew Member** for Dr. Bruce Huckell's excavation of the Hartley Mammoth Site near Abiquiu.
- Spring 2015 **Volunteer Crew Member** for Dr. Jones and Caronline Gabe's excavation of Plaza Vieja in Belen, NM
- Summer 2015 **Crew Member** for Dr. Wirt Wills site Chaco site assessments and mapping with total station

- Summer 2014 **Crew Member** for Dr. Bruce Huckell's Beach Site (North Dakota) excavation of a Clovis cache.
- Summer 2013 **Crew Member** for Patricia Crown's National Endowment for the Humanities, National Geographic, & UNM funded excavations at Pueblo Bonito, Chaco Canyon Room 28.
- Summer 2013 Survey and mapping with Thomas Windes in Beef Basin, Utah. Sites mapped included Turner Ranch and Turner Cave
- Fall 2012 Office of Contract Archeology, El Malpais National Park survey for NPS (15 Hours)
- Fall 2012 Office on Contract Archeology, Mid-America Pipeline project (MAPL) mapping and recording of sites (15 hours)
- Summer 2011 Texas A&M University field school in Beringian Archaeology Paleoeecology *directed by Dr. Kelly Graf* (July 3-August 19)
- Excavation of Late Pleistocene Nenana and Denali Cultural Components at the Dry Creek Site (HEA-005) in Central Alaska.
 - Temporarily employed for 2 additional weeks through Texas A&M University at to finish up excavation at Dry Creek.
- Summer 2011 University of Colorado, Boulder field school *Directed by Dr. Douglas Bamforth* (June 1-July1)
- Project 1 location: Northwestern Nebraska
 - Excavation of Plains Village Tradition firing pit
 - Utilization of remote sensing technologies
 - Project 2 location: Southern Wyoming
 - Survey and recording of Protohistoric campsites (Shoshone)

RELATED VOLUNTEER WORK

- February 2013 **Museum of Indian Arts and Culture**, working with Curator of Archaeology, Dr. Maxine McBrinn on turquoise exhibit (7 hours/ week for 4 weeks).
- Summer 2012 **Santa Fe National Forest-Jemez District** recording of sites and other field work for the USDA Forest Service Archaeologists (15 hours/week for 4 weeks).
- Summer 2012 **Office of Contract Archaeology**, processing of flotation samples and washing and cataloging artifacts

AWARDS AND FELLOWSHIPS

- 2017 National Science Foundation Doctoral Dissertation Improvement Grant (\$29,742)

- 2015 GPSA New Mexico Research Grant (\$3,000)
 2014 National Science Foundation GRFP (\$32,000/for 3 years)
- 2012-2014 University of New Mexico Frank C. Hibben Fellowship and Supplemental Recruitment Funding (\$20,000/year for two years)
- 2013 Smithsonian Institution-National Museum of Natural History Short-Term Visitor Award (\$1,400)

PROFESSIONAL COURSEWORK

- 2009 Project Management, UC Davis Extension
 2009 Project Management-Time Management, UC Davis Extension
 2008 Advanced Excel Course, Capitol Public Finance Group funded

PRESENTATIONS

- Spring 2016 Presentation to the Friends of Coronado “Community Formation and Identity in the Gallina (A.D. 1050-1300) Area of Northwestern New Mexico”
- Summer 2015 Presentation to the Ghost Ranch Seminar thru the Florence Hawley Ellis Museum of Anthropology “Gallina Archaeology”
- Fall 2015 Presentation to the Torrance County Archaeological Society “What they Made and Used: Clues to Gallina Identity”
- Spring 2015 Presentation of paper at 80th Annual Society for American Archaeology Conference, San Francisco, CA. “An Examination of Gallina Utility Ware: Vessel Morphology and Function.”
- Spring 2015 Presentation to UNM Board of Regents of my ongoing research in the Gallina area representing the Department of Anthropology.
- Spring 2015 Presentation of Poster at to state legislators for New Mexico Education Day 2015 at the Rotunda State Capitol building in Santa Fe. “Understanding Gallina Craft Practices through Pottery and Bead Style”
- Spring 2014 Presentation of poster at the 79th Annual Society for American Archaeology Conference, Austin Texas. “Complexity and Projectile Points? An examination of Projectile Points from Chaco and Gallina Culture Areas”
- Spring 2013 University of New Mexico, Anthropology Student Union Conference (April 19-20). Presented “Gallina Culinary Strategies: Examining Use-wear, Morphology and Metrics in the Panel: *Standards, Sizes, Serving and Sherds*.”
- Fall 2011 American River College Anthropology Invitational (November 5)
A Baseline Study of Cultural Continuity between Beringian Cultures and Clovis During the Late Pleistocene. Sacramento, California.

ACADEMIC WORKS/PUBLICATIONS

Emily Lena Jones^{a1}, Cyler Conrad^a, Seth D. Newsome^b, Brian M. Kemp^c and Jacqueline Marie Kocer^a

2016 Turkeys on the fringe: variable husbandry in “marginal” areas of the prehistoric American Southwest. *Journal of Archaeological Science* (in Press).

Kocer, Jacqu

2016 What They Made and Used: Initial Clues to Gallina Archaeology. In Ordinary, yet Distinct: The Allure of Gallina, *Archaeology Southwest Magazine* .29(1):22–24

Kocer, Jacqueline

2014 *An examination of Gallina Utility Ware: Vessel Morphology and Sooting Patterns*. Unpublished Master's Thesis. MA Anthropology, University of New Mexico, Albuquerque.
