

VITA

ERIC BLINMAN

Home address: 6 Frasco Road, Santa Fe, New Mexico 87508-8842
Work address: Archaeological Support Services, 6 Frasco Road, Santa Fe, NM 87508-8842
Phone: (505) 660-2809 (work and personal cell)
E-mail: ericblinman@cs.com
Born: September 25, 1953, San Diego, California

EDUCATION:

Ph.D. 1988, Department of Anthropology, Washington State University. Dissertation title: The Interpretation of Ceramic Variability: A Case Study from the Dolores Anasazi.
M.A. 1978, Department of Anthropology, Washington State University. Thesis title: Pollen Analysis of Glacier Peak and Mazama Volcanic Ashes.
A.B. 1975, Department of Anthropology, University of California, Berkeley. Degree conferred with high honors in anthropology and distinction in general scholarship.

GRANTS, AWARDS, HONORS, AND OFFICES:

2024-present Adjunct Professor, Department of Anthropology, University of New Mexico
2024-present Eldorado Fire and Rescue, volunteer (wildland firefighter qualification), Facilities Officer
2024-present Site Steward, Galisteo Pueblo, The Archaeological Conservancy
1996-present Manuscript and proposal reviewer: *American Anthropologist*, *American Antiquity*, *Fieldiana*, *Geofísica Internacional*, *Journal of Anthropological Research*, *Journal of Archaeological Method and Theory*, *Journal of Archaeological Research*, *Journal of Archaeological Science*, *Kiva*, National Science Foundation.
2007-2023 Ex-officio board member. Old Santa Fe Association, Santa Fe, New Mexico.
2001-2023 Editorial Board, *El Palacio*.
2012-2016 La Bajada Ranch Planning Committee, Santa Fe County.
2012-2014 Archaeology Division Board Member, American Anthropological Association.
2012 Excellence in Public Education Award conferred on the Office of Archaeological Studies by the Society for American Archaeology.
2009, 2010 Judge, traditional pottery, Indian Market, Southwest Association for Indian Arts
2001-2010 Outside faculty member, Ph.D. candidate committees (2), Department of Anthropology, University of New Mexico.
2009 Jurist, Student and Faculty show, Poeh Arts Program, Pojoaque Pueblo
2005, 2007, 2008 Judge, pottery. Eight Northern Indian Pueblos Arts and Crafts Association.
2005 Excellence in Public Education Award conferred on the Office of Archaeological Studies by the Society for American Archaeology.
2004 Yucca Climbing Rope Replication Project. National Geographic Explorations Grant.
2002 Photo: Glaze Ware Firing Platforms, San Lazaro Pueblo. Honorable Mention. Photo Fieldwork: From Petroglyphs to Plazas, Juried Exhibition, Governor's Gallery, Santa Fe State Capitol.
1994-1998 Contributing editor, *New Mexico Archaeology: Newsletter of the Friends of Archaeology*.
1997, 2000, 2002 Nuevos Dolores Corrugated; pottery jar exhibited in *O'Keeffe's New Mexico: 80th Anniversary Exhibition*, in *Term Limits*, and in the *85th Anniversary Exhibition*; Museum of Fine Arts, Santa Fe, New Mexico.
1992-1995 Editor, *Pottery Southwest*.
1994 Society for American Archaeology; poster session award for excellence.
1990 Museum of New Mexico Foundation; grant awarded in support of NSF proposal research.
1982 Colorado State Historical Society; grant awarded in support of the Red Ware Project (funds administered by the Mesa Verde Museum Association and Dr. David A. Breternitz).
1972 Kraft Prize, University of California, Berkeley.
1971-1975 Regents Scholarship, University of California, Berkeley.

PUBLICATIONS:

Rowe, M.W., E. Blinman, S.A. Jones, and C. Welte

In review Making the Best of a Bad Situation: Radiocarbon Dating of a Coptic Textile with Insect Damage.
Submitted to *Journal of the American Institute for Conservation*.

Blinman, Eric, and J. Royce Cox

2023 Theory, Technique, and Performance: Time for Renewal in Southwestern Archaeomagnetic Dating. In *Pushing Boundaries: Proceedings of the 16th Biennial Southwest Symposium*, edited by Stephen E. Nash and Erin L. Baxter, pp. 134-155. Boulder: University Press of Colorado.

Rowe, Marvin W., E. Blinman, S. Jones and C. Welte

2023 Proof of Concept: Radiocarbon Dating Both Organic and Mineral Carbon-Containing Compounds Using Plasma-Chemical Carbon Dioxide Extraction. In *Le Gai Sçavoir: Mélanges En Hommage à Jean-Loïc Le Quellec*, edited by Julien d'Huy et al., Archaeopress, 2023, pp. 264-68. JSTOR, <https://doi.org/10.2307/jj.7514489.32>. Accessed 13 Oct. 2023

Rowe, M.W., Le Quellec, J-L., S.A. Jones, E. Blinman, C. Welte, F. Duquesnoy, V. Charpentier, A. Al-Mashani, and A. Ahmed Al-Kathiri

2022 First dating of a rock painting in Zufar (Sultanate of Oman): Low energy plasma oxidation radiocarbon sampling. In *Holocene*. (<https://doi.org/10.1177/09596836221145402>).

Cox, J. Royce, Eric Blinman, Lukas Wacker, and Marvin W. Rowe

2021 Premature Oxidation during Argon Plasma Cleaning of Water-rich Radiocarbon Samples. *Radiocarbon* 64(1):21-34.

Jones, Shelby A., Eric Blinman, Lisa Tauxe, J. Royce Cox, Stacey Lengyel, Robert Sternberg, Jeffrey Eighmy, Daniel Wolfman, and Robert DuBois

PAPERS PRESENTED AT MEETINGS AND COLLOQUIA:

Blinman, Eric

2025 Participant-discussant. Archaeological Seminar, Indian Arts Research Center, School for Advanced Research, Santa Fe. (This is a multi-year seminar bringing together Native and non-Native cultural representatives, museum professionals, and archaeologists to discuss the challenges and opportunities posed by prospective donations of unprovenienced or poorly provenienced collections of ancestral artifacts to museums.)

2024 Interesting Times: A Career perspective on Archaeology, History, and Identity in New Mexico. Bandelier Lecture. Archaeological Society of New Mexico Annual Meeting, Las Vegas.

2024 Archaeological Perspectives on “Santo Domingo White:” A historic and technological survey of organic paint in Southwestern pottery traditions. Paper presented to visiting scientists from the Metropolitan Museum of Art. Indian Arts Research Center, School for Advanced Research, Santa Fe.

Cox, J. Royce, Marvin W. Rowe, Eric Blinman, Shelby A. Jones, Caroline Welte

2022 Results from the Office of Archaeological Studies Plasma Oxidation Laboratory, Santa Fe, New Mexico. ¹⁴C and Archaeology Conference. ETH Zurich, Switzerland.

Rowe, Marvin W., Eric Blinman, Shelby A. Jones, Caroline Welte

2022 . Making the Best of a Bad Situation: Radiocarbon Dating of a Coptic Textile with Insect Damage. Society for American Archaeology. [Held as a hybrid meeting, presented online]

Blinman, Eric

2019 Technologies for Repatriation. Training presentation in National Park Service-NCPTT Workshop: NAGPRA for Archeologists: Methods, Dialogue, and Technologies. Choctaw Nation, Durant, Oklahoma.

Jones-Cervantes, Shelby A., John Pryor, Lisa Tauxe, Shana Powers, Eric Blinman, Marvin Rowe

2019 Archaeomagnetic studies of burned daub: A California case study from the Grandad archaeological site in the central Sierra Nevada and experimental archeology. American Geophysical Union, Fall Meeting. San

Francisco, California.

Jones-Cervantes, Shelby, Arielle Thibeault,, Eric Blinman, Jeffrey Royce Cox, Tisa Tauxe, Stacey Lengyel, Jeffrey Eighmy, Daniel Wolfman, and Robert DuBois

2019 Applying FAIR Principles to Archived Archaeomagnetic Data, An Example from the American Southwest. Poster presented at the Eleventh Santa Fe Conference on Rock Magnetism, St. Johns College, Santa Fe, New Mexico.

Lipe, William D., Shannon Tushingham, Eric Blinman, Chuck LaRue, and Laurie Webster

2019 How Many Turkeys Did It Take to Make a Blanket? Paper presented at the 84th Annual Meeting of the Society for American Archaeology, Albuquerque.

Blinman, Eric, and Jeffrey Royce Cox

2018 Theory, Technique, and Circularity: Time for a Renewal in Southwestern Archaeomagnetic Dating. Paper presented at the Southwest Symposium, Denver Museum of Nature and Science, Denver, Colorado.

Jones-Cervantes, Shelby A., Arielle Thibeault, Eric Blinman, Jeff Royce Cox, Stacey N. Lengyel, and Lisa Tauxe

2018 Data Recovery of North American Directional Archaeomagnetic Archives: Towards the Development of a Robust Reference Curve for the “Four Corners” region of the American Southwest. American Geophysical Union Fall Meeting, Washington, D.C.

Blinman, Eric, Marvin Rowe, and Jeffrey Royce Cox

2018 Plasma Micro-Sampling in Radiocarbon Dating: Approaching a Non-Destructive Model. Paper presented at the 83rd Annual Meeting of the Society for American Archaeology, Washington, D.C.

Cox, Jeffrey Royce, Eric Blinman, and Shelby A. Jones-Cervantes

2018 Improving the Effectiveness of Archaeomagnetic Dating in the Southwest. Paper presented at the 83rd Annual Meeting of the Society for American Archaeology, Washington, D.C.

Blinman, Eric

2017 Minimally Invasive Archaeometry Technologies. Paper presented at the workshop: NAGPRA for Archaeologists: Methods, Dialogue, and Technologies. NPS-NCPTT, New Orleans.

Cox, Jeffrey Royce, and Eric Blinman

2017 Epoxy Collection of Archaeomagnetic Material using Plaster of Paris Cubes. Paper presented at Latin Mag: 5ta Reunión Biental 2017 en la modalidad “Cartel.” Juriquilla, Querétaro, México.

Blinman, Eric

2016 Archaeological and Anthropological Perspectives on Pueblo History and Health. Association of American Indian Physicians, 24th Annual Cross Cultural Medicine Workshop, Santa Fe.

2016 Rio Grande Migrations. Panel discussant, Annual Meeting of the Archaeological Society of New Mexico. Santa Fe.

Jones-Cervantes, Shelby Anne, Lisa Tauxe, Eric Blinman, and Agnes Genevey

2016 Preliminary Archaeointensity Reference Curve for the “Four Corners” Region of the American Southwest. American Geophysical Union, Fall Meeting, San Francisco.

Blinman, Eric

2015 Big Picture Culture History: Reconciling Puebloan Archaeology from the Four Corners to the Rio Grande. Colloquium for Resident Scholars, School for Advanced Research, Santa Fe.

Blinman, Eric, and C. Dean Wilson

2015 Ecology, Technology, and Culture History of Organic-Painted Pottery in the Northern Southwest. Paper presented at the American Anthropological Association annual meeting, Denver, Colorado.

Jones-Cervantes, Shelby Anne , Lisa Tauxe, Eric Blinman, Agnes Genevey

2015 High Quality Absolute Paleointensity Data from Santa Fe, New Mexico. American Geophysical Union, Fall Meeting, San Francisco.

Blinman, Eric

- 2014 The Archaeomagnetic Dating Legacy of Dr. Robert L. DuBois. Paper presented in the 2014 Fryxell Award Symposium in Honor of Marvin W. Rowe, 79th Annual Meeting of the Society for American Archaeology, Austin.

Blinman, Eric, and J. Royce Cox

- 2014 Embracing In-Homogeneity in Archaeomagnetism: Implications for Sampling and Analysis. Poster presentation at the International Symposium on Archaeometry, Los Angeles.

Blinman, Eric

- 2013 Big Picture Culture History: Reconciling Puebloan Archaeology from the Anasazi to the Rio Grande. Presentation to the Verde Valley Archaeological Society Field Trip, Center for New Mexico Archaeology, Santa Fe.
- 2013 Galisteo Basin as a Formative Landscape: Environment and Archaeology before AD 1400. Paper presented in the symposium: The Galisteo Basin: Archaeology and History of a New Mexico Landscape. School for Advanced Research and the Friends of Archaeology.
- 2012 Ceramic Theory and Cultural Process: Realized and Unrealized Potential in the Southwest. Paper presented at the Annual Meeting of the Society for American Archaeology, Memphis.

Blinman, Eric, H. Wolcott Toll, and Steven A. Lakatos

- 2011 The Galisteo Basin and the Perception of the Classic Period in the Northern Rio Grande. Paper Presented at the Annual Meeting of the Society for American Archaeology, Sacramento.

Blinman, Eric

- 2009 Edgar Lee Hewett's Archaeological Legacy. Sustaining the Enchantment: Preservation & Sustainability. New Mexico Heritage Preservation Alliance Conference 2009. Silver City, New Mexico.
- 2009 Edgar Lee Hewett's Archaeological Life and Legacy. Paper presented in the 150/100 Symposium: The Historical Society and the Museum of New Mexico. 2009 New Mexico History Conference, Santa Fe.

Blinman, Eric, Kari Schleher, Tom Dickerson, Cynthia Herhahn, and Ibrahim Gundiler

- 2009 Analytic and Experimental Approaches to Understanding Rio Grande Glaze Paint Technology as an Artistic Process. Paper presented in the symposium Technology as Practice: Polychrome and Glaze-Painted Pottery in the Late Prehispanic American Southwest. Annual Meeting of the Society for American Archaeology, Atlanta.

Blinman, Eric

- 2008 The Devil is in the Details: Northern Rio Grande Perspectives on Mesa Verde Migration. Presentation at the seminar: New Light on the Thirteenth-Century Depopulation of the Northern Southwest. Amerind Foundation, Dagoon, Arizona.
- 2008 Time, Space, Environment, People, Technology, and Ceramic Change. Presentation at The Early Ceramic Conference: The Inception, Spread, and Differentiation of Southwestern Ceramic Before A.D. 900. Organized by C. Dean Wilson, Office of Archaeological Studies and the Friends of Archaeology, Santa Fe.

Blinman, Eric, and Paul Williams

- 2008 The Galisteo Basin Archaeological Region: A Study in Preservation. Presentation at Conference 2008: Preservation Pilgrimage. New Mexico Heritage Preservation Alliance and the School for Advanced Research, Taos.

Blinman, Eric

- 2007 Can't Grow Corn There Today: Climate Change and the Culture History of the Galisteo Basin. Paper presented at the 80th Pecos Conference, Pecos National Historic Park, New Mexico.
- 2007 Patterns of Water Use from the Past to the Present and Implications for Adaptation, Sustainability, and Collapse. Paper presented in the symposium, Liquid Assets: Using Water in the Arid Southwest. Armory for the Arts, Santa Fe.
- 2007 2000 Years of Cultural Adaptation to Climate Change in the Southwestern United States. Paper presented in the 8th Royal Colloquium, Past Climate Change: Human Survival Strategies. Narsaq, Greenland.

Blinman, Eric, and George S. Austin

- 2007 Firing Behavior of Ancestral Puebloan Pottery Clays, Clay Mineralogy, and Explanations of the Variability of Pottery Traditions in Time and Space. Paper presented at the 44th Annual Meeting of the Clay Minerals Society, Santa Fe.

Blinman, Eric, and Duane M. Moore

- 2007 Additional Studies of Carbon Paint Retention in Southwestern Native American Pottery Traditions. Paper presented at the 44th Annual Meeting of the Clay Minerals Society, Santa Fe.

Blinman, Eric

- 2006 Galisteo Basin Archaeological Sites Protection Act: Environmental and Archaeological Setting. School of Advanced Research, Santa Fe, New Mexico.
2005 Archaeomagnetic Dating Results from the Land Transfer Project, Los Alamos National Laboratory. Paper presented at the 78th Pecos Conference, White Rock, New Mexico.

Hagstrum, Jonathan T., Robert L. DuBois, and Eric Blinman

- 2005 A Comparison of Paleomagnetic and Archaeomagnetic Secular Variation Records for North America. American Geophysical Union, San Francisco.

Blinman, Eric

- 2003 Panelist. Constructing a New Mexico Repatriation Act. Protecting the Spirits of Our Ancestors: Repatriation and Sacred Sites Conference, Institute of American Indian Arts, Santa Fe, New Mexico.
2002 Archaeomagnetic Dating 2002: Potential for More Accuracy and Efficiency. Paper presented at the 2002 Pecos Conference, Pecos, New Mexico.
2002 OAS Education Outreach: Serving the Archaeological Interests of New Mexico. Paper presented at the Southern Resource Center Environmental Conference: Environmental Stewardship in the Delivery of Transportation Services, Santa Fe, New Mexico.
2002 Flaming Adventures at the Pecos Conference: Retrospect and Prospect. Paper presented at the 2002 Pecos Conference, Pecos, New Mexico.
2001 Archaeomagnetic Dating: Curves and Date Interpretations. Paper presented at Big Meeting at Crow Canyon. Crow Canyon Archaeological Center, Cortez, Colorado.
2001 Archaeomagnetic Dating of Salado and Casas Grandes contexts in Southern New Mexico and Northern Chihuahua. Paper presented at IV Conferencia de Arqueología de la Frontera Norte, Museo de las Culturas del Norte, Casas Grandes, Chihuahua.

Hensler, Kathy Niles, and Eric Blinman

- 2000 Experimental Ceramic Technology—Or, the Road to Ruin(s) is Paved with Crack(ed)pots. Paper presented at the Southwest Symposium 2000. At the Millennium: Change and Challenge in the Greater Southwest. Santa Fe.

Blinman, Eric

- 1999 Archaeological and Anthropological Contributions to the Question of Affiliation Between the Navajo and the Ancient Peoples of Chaco Culture National Historical Park. Testimony to the Native American Graves Protection and Repatriation Review Committee, Silver Springs, Maryland.
1999 Pottery and a New Look at Culture History in the Northern Rio Grande. School of American Research Colloquium Series, Santa Fe.

Blinman, Eric, and John A. Ware

- 1999 Questioning Pueblo Political Autonomy: Ritual Exchange and Political Integration on the Rio Grande. Paper presented at the 64th Annual Meeting of the Society for American Archaeology, Chicago, Illinois.

Herhahn, Cynthia, and Eric Blinman

- 1999 Materials Science Meets the Artisan: A Look at Innovation through Experiments with Lead-Glaze Paints from the American Southwest. Paper presented at the 64th Annual Meeting of the Society for American Archaeology, Chicago, Illinois.

Ware, John A., and Eric Blinman

- 1999 A Social History of the Pueblos: Evidence from Archaeology and Historical Ethnography. Paper presented

at the 64th Annual Meeting of the Society for American Archaeology, Chicago, Illinois.

Blinman, Eric

1998 Anthropological Perspectives on Affiliation: Personal Synthesis of the First Workshop. Paper presented at the National Park Service Ancestral Peoples of the Colorado Plateau Cultural Affiliation Workshops, Fort Lewis College, Durango, Colorado.

1998 Pottery Geography of the Northern Southwest: Style, Technology, Exchange, and Ethnicity. Paper presented at the National Park Service Ancestral Peoples of the Colorado Plateau Cultural Affiliation Workshops, Fort Lewis College, Durango, Colorado.

Blinman, Eric, and Jeffrey Royce Cox, organizers

1998 Archaeomagnetic Dating Workshop. Workshop presented at the 63rd Annual Meeting of the Society for American Archaeology, Seattle, Washington.

Blinman, Eric, and Carol E. Price

1998 Turning Anasazi Pottery Outside-In: Construction Techniques and Immigration in the Rio Grande Valley. Paper presented at the 63rd Annual Meeting of the Society for American Archaeology, Seattle, Washington.

Blinman, Eric, and John A. Ware

1998 Reconciling Past and Present Pueblo Social History. Paper presented at the Bag Lunch, Department of Anthropology, University of Washington, Seattle.

Blinman, Eric

1997 The Foundations, Contributions, and Limitations of Ceramic Dating. Paper presented at the 62nd Annual Meeting of the Society for American Archaeology, Nashville, Tennessee.

1997 Turning Rio Grande Ceramics Inside-Out. Paper presented at the Pecos Conference, Chaco Canyon, New Mexico.

Blinman, Eric, H. Wolcott Toll, and C. Dean Wilson

1997 Anasazi Pottery Technology and Production Organization in the Southwestern United States. Poster presented at the conference on Ceramic Technology and Production, British Museum, London, England.

Wilson, C. Dean, Eric Blinman, and James M. Skibo

1997 Resources and Technology: Ceramic Traditions and Cultural Boundaries in the Highlands of the Southwestern United States. Paper presented at the conference on Ceramic Technology and Production, British Museum, London, England.

Blinman, Eric, and Clint Swink

1996 Technology and Organization of Anasazi Trench Kilns. Paper presented at the Annual Meeting of the American Ceramic Society, Indianapolis, Indiana.

Skibo, James M., and Eric Blinman

1996 Exploring the Origins of Pottery on the Colorado Plateau. Paper presented at the Pottery and People Conference, Normal, Illinois.

Ware, John A., and Eric Blinman

1996 Archaeology, Historical Ethnography, and Pueblo Social History. Paper presented at the School of American Research, Santa Fe, New Mexico.

1996 "Creative Destruction," Reorganization, and Ritual Syncretism: The Development and Spread of Pueblo Ritual Organizations. Paper presented as part of Cultural Modeling Month, Santa Fe Institute, Santa Fe, New Mexico.

1996 Cultural Collapse and Reorganization: The Origin and Spread of Pueblo Ritual Organizations. Paper presented at the 1996 Southwest Symposium, Tempe, Arizona.

Blinman, Eric

1995 A Ceremonial Assemblage from San Lazaro Pueblo: Precontact Medicine Societies in the Northern Rio Grande. Paper presented to the Department of Anthropology, University of California, Los Angeles.

- 1995 Moderator, White Ware Session. Chambers-Sanders Trust Lands Ceramic Conference, Flagstaff, Arizona.
- 1995 Symposium Discussant. Craft Specialization in the Protohistoric American Southwest. 60th Annual Meeting of the Society for American Archaeology, Minneapolis, Minnesota.
- 1994 Anasazi Firing Experiments: 1991-1994. Paper presented at the 1994 Kiln Conference at Crow Canyon, Cortez, Colorado.
- 1994 Issues in the Study of Ceramic Production and Exchange in the American Southwest. Introductory remarks at the Southwestern Pottery Workshop. Crow Canyon Archaeological Center, Cortez, Colorado.
- 1994 Laboratory Perspectives on Anasazi Firing. Paper presented at the 67th Pecos Conference, Mesa Verde National Park.

Blinman, Eric, Clint Swink, Lawrence R. Sitney, David S. Phillips, and Joel M. Brisbin

- 1994 The Firing of Anasazi Pottery. Poster presented at the 59th Annual Meeting of the Society for American Archaeology, Anaheim.

Blinman, Eric

- 1993 Conservators and Archaeologists: Understanding Points of Tension. Paper presented as part of a panel discussion: Strengthening Ties: A Dialogue Between New World Archaeologists and Conservators. 21st Annual Meeting of the American Institute for Conservation of Historic and Artistic Works, Denver, Colorado.
- 1993 Introduction and Overview of Kiln Replication Experiments. Paper presented at the 1993 Kiln Conference at Crow Canyon, Cortez, Colorado.
- 1993 Introduction: Breadbasket, Backwater, or Burgeoning center? The Totah in Regional and Temporal Context. Paper presented at the Anasazi Symposium, Farmington, New Mexico.

Skibo, James M., Michael B. Schiffer, Eric Blinman, and Dean Wilson

- 1992 The Designing of Anasazi Pottery: A Technological and Experimental Study. Paper presented at the Third Southwest Symposium, Tucson, Arizona.

Blinman, Eric

- 1991 Adjusting the Pueblo I Chronology: Implications for Culture Change at Dolores and in the Mesa Verde Region at Large. Paper presented at the Anasazi Symposium 1991, Mesa Verde National Park, Colorado.
- 1991 Hot Stuff in the Old Town Tonight: Pueblo I Villages of the Northern San Juan Region. Paper presented at the Anthropology Department Colloquium, University of Arizona, Tucson.

Blinman, Eric, and C. Dean Wilson

- 1991 Pottery Production and the Northern San Juan Anasazi. Paper presented at the 62nd Annual Meeting of the Southwestern Anthropological Association, Tucson.

Wilson, C. Dean, and Eric Blinman

- 1991 Early Anasazi Ceramics and the Basketmaker Transition. Paper presented at the Anasazi Symposium 1991, Mesa Verde National Park, Colorado.

Blinman, Eric

- 1990 Ceramics and Anasazi Culture Change: From the Complex to the Complicated, ... or, Half-a-Million Sherds Can't Be Wrong All the Time. Paper presented at the School of American Research Anthropology Colloquium, Santa Fe.
- 1990 The La Plata Highway Project. Paper presented at the Annual Meeting of the Archaeological Society of New Mexico, Santa Fe.

Toll, H. Wolcott, III, and Eric Blinman

- 1990 Chaco in the Context of Ceramic Regional Systems. Paper presented at the 55th Annual Meeting of the Society for American Archaeology, Las Vegas.

Blinman, Eric, and C. Dean Wilson

- 1989 Mesa Verde Region Ceramic Types. Paper presented at the New Mexico Archaeological Council Ceramic Workshop, Red Rock State Park, New Mexico.

Blinman, Eric

- 1988 An Overview of Dolores Area Prehistory. Paper presented at the Dolores Archaeological Program

Symposium, Grand Opening of the Anasazi Heritage Center, Dolores, Colorado.

Orcutt, Janet D., Eric Blinman, and Timothy A. Kohler

1988 Explanations of Population Aggregation in the Mesa Verde Region Prior to A.D. 900. Paper presented at the Southwest Symposium, Arizona State University, Tempe, Arizona.

Blinman, Eric, and Janet D. Orcutt

1987 Potlatches, Potlucks, Leadership, and Social Complexity in the Mesa Verde Region: the Early Years. Paper presented at the School of American Research Anthropology Colloquium, Santa Fe, New Mexico.

Blinman, Eric, and C. Dean Wilson

1985 Exchange and Interaction in the Dolores Project Area. Paper presented at the 50th Annual Meeting of the Society for American Archaeology, Denver.

Kohler, Timothy A., Janet D. Orcutt, Kenneth L. Petersen, and Eric Blinman

1985 Anasazi Spreadsheets: the Cost of Doing (Agricultural) Business in Prehistoric Dolores. Paper presented at the 50th Annual Meeting of the Society for American Archaeology, Denver.

Phagan, Carl J., Thomas H. Hruby, Phillip D. Neusius, and Eric Blinman

1985 Technological Change in the Dolores Area, A.D. 600-980. Paper presented at the 50th Annual Meeting of the Society for American Archaeology, Denver.

Blinman, Eric

1983 Ceramic Dating in the Mesa Verde Region. Paper presented at the 57th annual Pecos Conference, Bluff, Utah.

1981 Attribute Change Within Neckbanded Ceramic Types. Paper presented at the 46th Annual Meeting of the Society for American Archaeology, San Diego.

1978 Stratigraphy and Depositional Environment of the Hoko River Site. Paper presented at the 31st Annual Northwest Anthropological Conference, Pullman.

Blinman, Eric, Peter J. Mehringer, and John C. Sheppard

1977 Pollen Influx and the Depositional Chronologies of Mazama and Glacier Peak Tephra. Paper presented at the National Meetings of the Geological Society of America, Seattle.

CONTRACT OR RESEARCH REPORTS (only partially updated for 2020, 2021, 2022, 2023):

Blinman, Eric, Stephen S. Post, James D. Gallison, Nicole A. Ramirez Thomas, Ann L.W. Stodder, and Emily J. Brown

2022 Data Recovery Plan for LA 191, Mocho Pueblo. Prepared for RGMA Resources. Wonderstone Consulting, Office of Archaeological Studies, Zia Archaeology, and Aspen CRM Solutions. Santa Fe.

Cox, J. Royce and Eric Blinman

2022 Archaeomagnetic Dating Report for sites 5LP6670 and 5LP2223. In Archaeological Investigations at Seven Sites near Durango for the Colorado Department of Transportation's US 550/160 Connection South Project, La Plata County, Colorado, edited by Rand A. Greubel, Alpine Archaeological Consultants, Inc. Colorado Department of Transportation Archaeological Research Series No. 14. Volume 4, Appendix G (pp 441-461).

Stinson, Susan L., and Eric Blinman

2021 Mechanical Excavation Permit Request for Testing and Monitoring Plan in Anticipation of Proposed Construction of the Georgia O'Keeffe Museum Campus on Grant Avenue, City of Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 139.

Blinman, Eric, and Richard Montoya

2020 Archaeological Monitoring Plan for Trench Installation of PNM Conduit Serving 206 McKenzie Street, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 129.

Blinman, Eric, and Susan L. Stinson

2020 Archaeological Monitoring Plan for Subsurface Cable Installation by PNM along a Northern Segment of South Meadows Road, Rivers and Trails Archaeological Review District, City of Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 145.

Blinman, Eric, Susan L. Stinson, and Ann Stodder

2020 Excavation Plan for an Unmarked Burial Discovered during Construction at 206 McKenzie Street, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 131.

Blinman, Eric, Karen Wening, and Susan L. Stinson

2020 Testing and Monitoring Plan for the Installation of the Tesuque Runners Sculpture Garden, LA 1051, City of Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 119.

Stinson, Susan L., and Eric Blinman

2020 Archaeological Monitoring Plan for Subsurface Electrical Line Installation by PNM for the Barosa Road Extension, County of Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 141.

Stinson, Susan L., Richard Montoya, and Eric Blinman

2020 Archaeological Survey Report and Monitoring Plan for Drainage and Road Improvements in the Racetrack Subdivision for Santa Fe, County, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 135.

Wening, Karen, and Eric Blinman

2020 Archaeological Reconnaissance Plan in Advance of Construction of the New Mexico Museum of Art Vladem Contemporary, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 121.

Blinman, Eric

2019 Monitoring Plan for Demolition and Landscaping for the Santa Fe County Historic Administration Building Renovation, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 118.

Blinman, Eric, Paul Duran, and Karen Wening

2019 Monitoring Plan for a 24-inch Raw Water Pipeline from Nichols Reservoir to the Sangre de Cristo Water Treatment Facility, City of Santa Fe and Private Land, Santa Fe County, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 118.

Blinman, Eric, and Karen Wening

2019 Testing and Monitoring Plan for the Installation of a Fire Suppression System for the Palace of the Governors, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 108.

2019 Monitoring Plan for the Replacement of Selected Components of the Irrigation System, Federal Oval, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 106.

Eric Blinman, and Richard H. Montoya

2018 Monitoring Plan for the Installation of Comcast Conduit for Service to 103 Catron Street, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 94.

2018 Monitoring Plan for the Installation of Comcast Conduit for Service to 320 Garfield Street, Santa Fe, New Mexico, Administrative Report 93.

2018 Monitoring Plan for the Installation of Comcast Conduit for Service to 514 Galisteo Street, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 92.

Wening, Karen, Eric Blinman, and Richard H. Montoya

2018 Monitoring Plan for the Installation of Conduit for the Comcast Downtown Santa Fe Fiber Project, Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 99.

Wening, Karen, Richard H. Montoya, and Eric Blinman

- 2018 Archaeological Monitoring Plan for Subsurface Conduit Installation by Conterra Networks for Santa Fe Public Schools Fiber Optic Cable, City of Santa Fe, New Mexico. Office of Archaeological Studies, Museum of New Mexico, Administrative Report 96.

Montoya, Richard H., and Eric Blinman

- 2017 A Plan for the Management of Archaeological Resources at the New Mexico School for the Arts, 500-550 Montezuma Avenue, Santa Fe, New Mexico: Reconnaissance and Monitoring on Private Land. Administrative Reports 83. Office of Archaeological Studies, Santa Fe.

EDUCATION OUTREACH: Public lectures, demonstrations, and tours (most recent five years only):

2025

Ancient Lifeways and Yucca Fiber Demonstration (with Chuck Hannaford) – Earth Day Celebration, Eldorado

Community Improvement Association, Santa Fe.
Pueblo Blanco Site Tour – School for Advanced Research

2024

A confusion of archaeological thought. Friends of Archaeology Lecture Series.
A multi-cultural Basketmaker III Period. Friends of Archaeology Lecture Series.
Ancestral pottery techniques (with Denise Lynch). Paseo Pottery
Archaeological perspectives on “Santo Domingo White:” A historic and technological survey of organic paint in Southwestern pottery traditions. SAR-IRC lecture for MET scientists.
Archaeology as history: Assessing models of the Puebloan past. Southwest Seminars, Santa Fe.
Archaic Period through the adoption of maize. Friends of Archaeology Lecture Series.
Basketmaker II and Transitional Basketmaker. Friends of Archaeology Lecture Series.
Conceptual and practical issues for understanding Southwestern Archaeology. Friends of Archaeology Lecture Series.
Climate and dating. Friends of Archaeology Lecture Series.
Comanche Gap Rock Art Tours (2) – Friends of Archaeology tour, general public.
Destinations of archaeological histories. Friends of Archaeology Lecture Series.
Four Corners Archaeology: Redefining rather than escaping normative thought – Torrance County Archaeological Society
The Galisteo Basin as a Multicultural Landscape – Santa Fe Archaeological Society
History and Archaeology of the Tecolote Ranch Region – Santa Fe Conservation Trust field trip
Interpretive site tour of Galisteo Pueblo – The Archaeological Conservancy and the Galisteo Basin Working Group.
Micaceous Pottery (assisted Lee Onstott in lecture and demonstration) – Museum of New Mexico Foundation, Explorers
Paleoamericans. Friends of Archaeology Lecture Series.
Paleoindians and post-glacial adaptations. Friends of Archaeology Lecture Series.
Post-Chaco and the first migration. Friends of Archaeology Lecture Series.
Post-Clovis and the early Southwest Archaic. Friends of Archaeology Lecture Series.
Pueblo Blanco Site Tour – Friends of Archaeology
Pueblo Colorado Community Site Tours (2) – Friends of Archaeology
Pueblo I: Social complexity and the foundations of Chaco. Friends of Archaeology Lecture Series.
Pueblo II and Chaco. Friends of Archaeology Lecture Series.
Pueblo III and the second migration. Friends of Archaeology Lecture Series.
Yucca fiber technologies demonstration. Rock Time, Vista Grande Public Library.

2023

Anti-Chaco in the Upper San Juan – Southwest Seminars, general public, Santa Fe
Archaic to Formative – Friends of Archaeology Zoom Lecture Series, general public.
At the Boundary between Wet and Dry: A 2,500 Year-old Midden on the Olympic Peninsula – Southwest Seminars, general public
Basic Concepts in Southwestern Archaeology – Friends of Archaeology Zoom Lecture Series, general public
Basketmaker II to Basketmaker III – Friends of Archaeology Zoom Lecture Series, general public.
Baskets to Pots in the Upper San Juan – Southwest Seminars, general public, Santa Fe.
The Bear Has More than Ears: A Broader Context for Bears Ears National Monument – Southwest Seminars, general public.
Circles Explorers: Silver City Adventure – Interpretive guide, Museum of New Mexico Foundation
Climate Change and New Mexico History – NM Museum of Natural History and Science, volunteers, educators
Coalition and Classic Periods – Friends of Archaeology Zoom Lecture Series, general public.
Comanche Gap Rock Art Tours (2) – Friends of Archaeology tour, general public.
Dating Techniques and Historical Linguistics – Friends of Archaeology Zoom Lecture Series, general public.
Early New Mexico Human History – Friends of Jemez and Coronado Historic Sites, general public, Bernalillo.
Eastern Rio Grande Pueblos: Water, Land, and Culture – Southwest Seminars lecture and tour, Yale Class of 1965 Reunion.
Experimental approaches to the study of archaeological pottery traditions – Guest lecture in UNM Anthropology class 570, Traditional Technologies and Experimental Archaeology (Bruce Huckell), Albuquerque.
“First Person Archaeology” (with Ann Stodder, Mollie Toll, Catrina Whitley, Maxine McBrinn, Mary Weahkee, Isaac Coan, Ulysses Reid) – Papers presented at the 2023 Southwest Symposium, Santa Fe.
Galisteo Pueblo (abbreviated site tour) – The Archaeological Conservancy, new staff introduction to the site and

burial settings
 History, Archaeology, and Multicultural Reality in Public Interpretation – National Park Service: Conference of Parks Chiefs of Interpretation and Education
 Identity and Cultural Diversity – Friends of Archaeology Zoom Lecture Series, general public.
 Northern New Mexico: Tewa-Hispanic Cultural Landscape – Southwest Seminars lecture and tour, Yale Class of 1965 Class Reunion
 Paleoamericans – Friends of Archaeology Zoom Lecture Series, general public.
 Pueblo I and Social Complexity – Friends of Archaeology Zoom Lecture Series, general public.
 Pueblo II and Chaco – Friends of Archaeology Zoom Lecture Series, general public.
 Chaco, Post-Chaco, and the First Migration – Friends of Archaeology Zoom Lecture Series, general public
 Pueblo III and the Second Migration – Friends of Archaeology Zoom Lecture Series, general public.
 San Cristobal Pueblo and Rock Art – Friends of Archaeology site tours (organizing and executing 10 days of tours for the general public)
 Southwestern Archaeology: Maize through Migration – guest lectures (2) for Dr. Molly Carney, Department of Anthropology, University of Arkansas.
 Surviving and Thriving – A History of Adaptation in Northern New Mexico (with Mary Howard and Mary Brown) – Professional Development Class at Northern New Mexico College, teachers from Española and Santa Fe School Districts.
 Tour of the Center for New Mexico Archaeology (with OAS staff) – Press tour for editor of editor/publisher of *Santa Fe Magazine*.
 Tour of the Center for New Mexico Archaeology (with Shelby Jones) – Staff of Crow Canyon Archaeological Center and University of Colorado NSF Grant scholars.
 Transition to the Colonial Period – Friends of Archaeology Zoom Lecture Series, general public.
 Yucca Fiber Demonstration (with Mary Weahkee) – Pecos National Historical Park

2022

Archaic Period through the Transition to the Formative Lifeway – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Ask and Archaeologist (with Dr. Shelby Jones) – Museum of New Mexico Foundation, Zoom Member Event.
 Basic Concepts in Southwestern Archaeology – A History of New Mexico, Ancient Times to the Reconquest: Friends of Archaeology Zoom Lecture Series, general public.
 Basketmaker II to Basketmaker III – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Coalition and Classic in the Northern Rio Grande – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 The Destination: Modern Peoples and Cultures of the Northern Southwest – A History of New Mexico, Ancient Times to the Reconquest: Friends of Archaeology Zoom Lecture Series, general public.
 The Early Years: Paleoindian and Archaic Periods through the Adoption of Maize – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Formative Transitions: Maize, Pottery, and the Beginnings of Village Life – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 It's Not Always a Black-on-white World: A Discussion of Oxidized Pottery Traditions in the Northern Southwest (Dean Wilson, lead author) – Friends of Archaeology Bag Lunch Presentation, general public.
 Never a Dull Moment at the Center for New Mexico Archaeology – Southwest Seminars Lecture, general public.
 Post Chaco and the First Migration – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Pueblo I and Social Complexity – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Pueblo II and Chaco – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Pueblo III and the Second Migration – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.
 Path to the Present: An Archaeological Sketch of Multicultural New Mexico – Museum of New Mexico Foundation Member Event.
 Pre-Colonization to the Present: A Quick Archaeological Sketch of Multicultural New Mexico – Center for New Mexico Archaeology, NPS Bandelier Youth Program (primarily Native American)
 A Short History of Southwestern Pottery: Technologies and Traditions – Santa Fe Community College, Carmelita Topaha Pottery Class.

Surviving and Thriving: 20,000+ Years of Adaptation to Change. Hot Springs High School tour of the Center for New Mexico Archaeology.

Transition to the Colonial – The Deep Culture History of the Northern Southwest, Friends of Archaeology Zoom Lecture Series, general public.

2021

Archaeology, History, and the Challenge of Identity – Friends of Archaeology Bag Lunch Talk, general public
Climate Change, Adaptation, and Culture History in the Northern Southwest – Pueblo of Zia, Historic Preservation staff, Culture and Language Preservation faculty, and cultural specialists

Creativity and History in Indigenous Southwestern Pottery – Silver City Clay Festival, general public

Culture History Overview of the Northern Southwest – Center for New Mexico Archaeology, National Park Service archaeologists and historic architects

Dating at the Center for New Mexico Archaeology: Strong attractions, Warm Glows, and Sizzle (with Shelby Jones and Marvin Row) – Friends of the Coronado and Jemez Historic Sites Lecture Series, general public

Demonstration of Ancestral Pueblo pottery production techniques – Silver City Clay Festival, The Hub.

Experimental Approaches to the Study of Archaeological Pottery Traditions: Ceramic Ecology and the Reconstruction of Human History – Guest lecture and demonstration in Anthropology 570: Traditional Technologies and Experimental Archaeology, University of New Mexico, Department of Anthropology, graduate students and faculty

Galisteo Basin: A Study in History and Human Ecology – New Mexico School for the Arts, Visual Arts Program, secondary school students and faculty

It's Not Always a Black-and-white World: A Discussion of Oxidized (Orange, Red, and Yellow) Pottery in the Northern SW (with Dean Wilson) – Friends of Archaeology Bag Lunch, general public

Path to the Present: An Archaeological Sketch of Multicultural New Mexico) – Virtual Members Event: Museum of New Mexico Foundation; general public

Pre-Colonial Context in the Southern Santa Fe Corridor: Environment, Economy, Demography, and Identity of Indigenous Peoples at the Threshold of Spanish Colonization – Las Golondrinas 50th Anniversary Lecture Series, general public.

Royal Prentice Panel Discussion (following talk by Richard Ford) – Friends of History Zoom presentation

Southwestern Archaeology Class (8 class sessions) – Friends of Archaeology Lecture Series, general public

Survival! (Project Archaeology (with Shelby Jones and Mollie Toll) – Native American Student Services Summer Camp, Gonzales Community School, Santa Fe, 4th-8th grade students.

Traditional Yucca Technology (with Shelby Jones) – Native American Student Services Summer Camp, Gonzales Community School, Santa Fe, 4th-8th grade students.

Weather and Climate – Zoom talk, 3rd grade class, Estancia Elementary School.

EMPLOYMENT:

2023 Lecturer in Anthropology, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.

2006-2023 Director, Office of Archaeological Studies, Museum of New Mexico, Department of Cultural Affairs—administration of OAS daily activities; budget management; project development and oversight; implementing move to new temporary offices and labs; design of Center for New Mexico Archaeology; fundraising for CNMA; construction administration of CNMA; design and implementation of financial accounting system; reorganization of compensation structure for the division; supervision of archaeomagnetic dating laboratory; development and supervision of a low energy plasma radiocarbon sampling laboratory.

1999-2020 Ceramist, Mission San Marcos Project, American Museum of Natural History, New York--ceramic analysis of collections from an early Spanish Colonial Mission.

2018 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.

2011 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.

2010-2012 Consulting Ceramist, Mali Terracotta Figurative Sculpture Project. Menil Foundation, Houston.

2009 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.

1996-2006 Ceramist, Bluff Great House Project, University of Colorado, Boulder, Colorado--ceramic analysis of collections from a Chacoan outlier in Bluff, Utah.

2004-2006 Ceramist, Comb Wash Project. University of Colorado and Utah Bureau of Land Management--ceramic

- collections from Comb Wash, Southeastern Utah.
- 1991-2005 Deputy Director, Office of Archaeological Studies, Museum of New Mexico, Santa Fe--assisting the Director in the administration of OAS activities; serving as principal investigator for projects in northwestern New Mexico, Colorado, Utah, and Arizona; planning and supervision of laboratory operations and artifact analyses for the La Plata Highway Project, northwestern New Mexico; providing field and laboratory conservation services to OAS projects and to outside organizations; serving as liaison with the Museum of New Mexico Foundation--Friends of Archaeology; Director, Archaeomagnetic Dating Laboratory (since 1994). Acting OAS Director (September-December 2003).
- 2005 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.
- 2002-2004 Ceramist, Pinta Housing Cluster Project. La Plata Archaeological Consultants, Dolores, Colorado—ceramic analysis of collections from the Rio Puerco Valley, Arizona.
- 2004 Consultant and tour guide. Crow Canyon Archaeological Center--Pueblos and Peoples of the Rio Grande.
- 2003 Ceramist, Mayhan Project. Woods Canyon Archaeological Consultants, Yellowjacket, Colorado—ceramic analysis of collections from the Upper San Juan highlands, Colorado.
- 2003 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.
- 2001 Ceramist, Great House Salvage Collection Evaluation. Navajo Nation Historic Preservation Department, Chaco Protection Sites Program—evaluation of specialized studies potentials for three great house pottery collections.
- 2001 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.
- 1999-2000 Acting Director, Museum of Indian Arts and Culture, Laboratory of Anthropology, Museum of New Mexico, Santa Fe--administration of an exhibition, curation, education, and research facility; collections and activities focus on prehistoric, ethnographic, and contemporary Indian Arts collections from the Southwestern United States.
- 1999 Lecturer in Anthropology and Native American Studies, Santa Fe Field Studies Program, Colgate University—Archaeology and Ethnology of Southwestern Indians.
- 1998-1999 Ceramist, N35 Road Project, P-III Associates, Inc., Salt Lake City, Utah--ceramic analysis of collections from the northwest flanks of the Carrizo Mountains, Arizona.
- 1998 Consultant, Fort Lewis College and National Park Service, Ancestral Peoples of the Colorado Plateau Cultural Affiliation Workshops--assisted in organization, presentation, and synthesis of three workshops.
- 1998 Instructor, Concepts in Pottery. Poeh Arts Program, Pueblo of Pojoaque. Pojoaque Pueblo, New Mexico.
- 1997 Instructor, Integrating Field Archeology, Conservation and Culturally Appropriate Treatments. Workshop sponsored by the National Park Service, Intermountain Cultural Resource Center.
- 1994-1996 Ceramist, La Plata Archaeological Consultants, Dolores, Colorado--ceramic analysis and interpretation of pottery collections from Anasazi sites in the vicinity of Navajo, Arizona.
- 1994 Manuscript reviewer, School of American Research, Santa Fe.
- 1994 Manuscript reviewer, University of Arizona Press, Tucson.
- 1994 Peer reviewer, National Park Service, Chaco Project material culture manuscripts.
- 1992-1994 Scholar, Crow Canyon Archaeological Center Field Seminars, Cortez, Colorado--field guide, archaeologist, and educator for organized public field trips.
- 1992-1993 Ceramist, Woods Canyon Archaeological Consultants, Yellow Jacket, Colorado--ceramic analysis and interpretation for Anasazi and Navajo pottery collections from sites in the Upper San Juan Region.
- 1991-1992 Adjunct Faculty. University of New Mexico Center for Graduate Studies, Santa Fe--teaching workshop classes in archaeological analysis.
- 1988-1991 Laboratory Supervisor and Conservation Officer, Office of Archaeological Studies, Museum of New Mexico, Santa Fe--planning and supervision of laboratory operations and artifact analyses for the La Plata Highway Project, northwestern New Mexico; providing field and laboratory conservation services to OAS projects and to outside organizations.
- 1988 Textile replicator for Malone Displays, Inc., Atlanta, Georgia--replication of rabbit fur and turkey feather blanket display specimens for the Anasazi Heritage Center, Dolores, Colorado.
- 1987-1988 Ceramist, Crow Canyon Archaeological Center--pilot study of vessel forms in midden collections, evaluation of archaeological clay and temper samples, clay resource study, and pilot paste characterization study.
- 1987-1988 Editor, Ak-Chin Indian Community West Side Farms Project, Soil Systems, Inc., Phoenix--content and copy editing of descriptive and interpretive report chapters prior to submission for peer review.
- 1987 Ceramist, N-16 Road Project, P-III Associates, Inc., Salt Lake City--ceramic dating studies and descriptive and interpretive report preparation from preexisting ceramic data.

- 1986 Topographic Surveyor, Chacoan Outlier Mapping Project, Office of Contract Archaeology, University of New Mexico--prepared topographic and planimetric maps of Twin Angels, Kin Nizhoni, and Lower Kin Nizhoni outliers for the Bureau of Land Management.
- 1986 Project Manager, Fort Hood Archaeological Survey 1986, Archeological Research Laboratory, Texas A&M University--supervised two field crews carrying out archaeological survey of historic and prehistoric resources; responsible for logistical organization and compliance with contract specifications.
- 1986 Ceramist, EFN Canyon Mine Site, Abajo Archaeology--typological and technological analyses of Coconino Plateau archaeological ceramics.
- 1986 Ceramist, Washington City-Green Spring Project, Abajo Archaeology--typological and technological analyses of Virgin Anasazi and Shoshonean ceramics.
- 1985-1986 Ceramist, Recapture Dam Pipeline Project, Abajo Archaeology--typological, technological, and ceramic dating analyses of Mesa Verde Anasazi ceramics.
- 1981-1985 Task Specialist, Additive Technologies Group, Dolores Archaeological Program, University of Colorado--supervised the analysis of ceramic and basketry artifacts; designed and carried out research projects relating to those materials; prepared contractual reports; edited reports for proper data usage and general content.
- 1981 Draftsman, Library Graphics Service, Washington State University--prepared maps, graphs, and charts for publications and presentations.
- 1980-1981 Crew Chief, Dolores Archaeological Program, Washington State University--carried out delegated research on temporal variation in ceramics; presented lectures on surveying techniques and stratigraphic recording to field school students.
- 1979-1980 Assistant Crew Chief, Dolores Archaeological Program, Washington State University--supervised excavations under the direction of a crew chief and field director; taught excavation technique to field school students.
- 1977-1979 Teaching Assistant, Department of Anthropology, Washington State University--prepared classroom and laboratory materials; arranged field trip logistics; corrected exams; presented selected lectures; provided individual assistance to students have difficulty with the curriculum.
- 1977-1979 Assistant Director, Hoko River Archaeological Project, Department of Anthropology and Washington Archaeological Research Center, Washington State University, and the Makah Tribal Nation--supervised "wet site" excavation and artifact curation; developed and carried out field school curriculum with the project director; prepared and edited descriptive and interpretive reports.
- 1977 Archaeological Surveyor, Washington Archaeological Research Center--conducted subsurface hydraulic-auger sampling.
- 1976 Laboratory Director, Fort Walla Walla Archaeological Project, Department of Anthropology, Washington State University--supervised laboratory processing and analysis of historic artifacts.
- 1975-1981 Draftsman and Laboratory Assistant, Paleoenvironmental Laboratory, Department of Anthropology, Washington State University--extracted pollen from reference and sediment samples; cored lake sediments; described sediment cores; prepared radiocarbon samples; analyzed volcanic ash samples; edited manuscripts; prepared figures for publication and slide presentations.
- 1974-1975 Draftsman, Electronics Research Laboratory, University of California, Berkeley--prepared figures for publications and slide presentations.
- 1974-1975 Researcher, Archaeological Research Facility, University of California, Berkeley--carried out delegated archival research projects; prepared figures for publication.

FIELD EXPERIENCE (only partially updated for 2021, 2022, 2023):

- 2024 Surface feature interpretation, Pecos National Historical Park, San Miguel County (1 day)
- 2022-2023 Stratigraphic Documentation, Room 7, Palace of the Governors: Santa Fe County (4 days)
- 2022 Fiber Optic Conduit Installation, Santa Fe County (cumulative over multiple installations, 6 days)
- 2022 Floor Joist Assessment Monitoring, Room 6, Palace of the Governors: Santa Fe County (6 days)
- 2020 Archaeological monitoring: Santa Fe County (6 days)
- 2020 Human burial excavations and investigations: Santa Fe County (2 days); Grant County (2 days); Sandoval County (1 day)
- 2019 Archaeomagnetic sampling: Durango, La Plata County, Colorado (4 days).
- 2019 Archaeological monitoring: Santa Fe County (3 days).
- 2018 Archaeological monitoring: Santa Fe County (4 days).
- 2017 Archaeological monitoring: Santa Fe County (3 days).
- 2016 Archaeomagnetic sampling: White Sands Missile Range, Doña Ana County (2 days).
- 2013 Archaeomagnetic sampling: Pueblo Largo, Santa Fe County, New Mexico (1 days); UNM-OCA Pipeline,

- Bernalillo County, New Mexico (1 day).
- 2009 Archaeomagnetic sampling: Agua Fria Schoolhouse Site; Santa Fe County, New Mexico (2 days).
- 2008 Archaeomagnetic sampling: Victorio Site, Sierra County, New Mexico (1 day).
- 2007 Archaeomagnetic sampling: Aztec Ruins National Monument (2 days).
- 2006 Archaeomagnetic sampling: Paako, New Mexico (1 day).
- 2005 Archaeomagnetic sampling: Chevelon Pueblo, Winslow, Arizona (4 days); Lake Site, Farmington, New Mexico (1 day); Los Alamos National Laboratory (1 day); Victorio Site, Sierra County, New Mexico (1 day); Aztec Ruins National Monument, San Juan County, New Mexico (2 days).
- 2004 Archaeomagnetic sampling: Palace of the Governors, New Mexico (6 days).
- 2003 Archaeological inventory: Santa Fe County, New Mexico (1 day).
- 2003 Archaeomagnetic sampling: Los Alamos National Laboratory, New Mexico (2 days); Cuyumungue, New Mexico (1 day).
- 2002 Archaeomagnetic sampling: Los Alamos National Laboratory, New Mexico (6 days); Glenwood, New Mexico (1 day).
- 2001 Archaeomagnetic sampling: Fort Burgwin, Ranchos de Taos, New Mexico; Mission San Marcos, Cerrillos, New Mexico; Casa de Fuegos, Chihuahua, Mexico; Joyce Well Site, Gray Ranch, New Mexico (6 days).
- 2001 Monitoring. Jemez State Monument ADA Trail Construction. 17th Century Jemez Pueblo, New Mexico (1 day)
- 2000 Archaeomagnetic sampling: US 285 near Tesuque, New Mexico; prehistoric Anasazi and Territorial period components (2 days).
- 1998 Archaeological data recovery, US 666 near Twin Lakes, New Mexico; prehistoric Anasazi; excavation (20 days).
- 1998 Archaeological inventory (site relocation), US 64, La Jara Canyon, New Mexico; Anasazi and Navajo components (2 days).
- 1998 Archaeomagnetic sampling, Northern Rio Grande valley (8 days).
- 1998 Site surface pottery characterization, Mill Creek Archaeological Project, Moab, Utah; Anasazi and Fremont (5 days).
- 1998 Site surface pottery characterization, N35 Project, northeastern Arizona; Anasazi and Navajo (2 days).
- 1998 BLM Wood Sampling Workshop, Dineta Area, northern New Mexico (1 day).
- 1997 Archaeological inventory, Church Rock, New Mexico, prehistoric Anasazi and Navajo site mapping, Navajo structure tree-ring sampling (10 days, cumulative).
- 1996 Archaeological inventory, Church Rock, New Mexico (7 days); Grants, New Mexico (1 day).
- 1996 Clay resource inventory, CSTL Pottery Technology Project; southern Navajo Nation, New Mexico and Arizona.
- 1995 Archaeological and traditional cultural property inventory (4 days); Navajo and Kayenta Anasazi components; Rock Point, Arizona.
- 1990-2023 Field conservator, stratigrapher, in-field analysis of grave goods (10 weeks, cumulative); stabilization and retrieval of kiva murals, basketry, prehistoric plaster masks, and unusually fragile artifacts; in-field analyses of burial textiles and vessels; specialized in-field photography; various venues, New Mexico and Arizona.
- 1988-1990 Stratigrapher and replacement crew chief (6 weeks, cumulative); La Plata Highway Project excavations, New Mexico.
- 1986 Topographic surveyor (3 weeks); Chacoan outlier mapping project, New Mexico.
- 1981 Research assistant (7 weeks); Holocene Environment of the Fayum Depression, Cairo, Arab Republic of Egypt.
- 1979-1980 Assistant crew chief (5 months); Dolores Archaeological Program, Colorado.
- 1979 Excavator (1 week); Midwest Archaeological Center, Rock Creek test excavations, Utah.
- 1977-1979 Assistant director (7 months, cumulative); Hoko River Archaeological Project, Washington.
- 1977 Core rig operator (2 days); Beebe Orchard survey, Washington.
- 1976 Core rig operator (2 days); Port of Camas-Washougal survey, Washington.
- 1976 Field laboratory director (2 months); Fort Walla Walla Archaeological Project, Washington.
- 1973 Topographic surveyor (10 weeks); NV-Ly-1 and CA-Mono-8 Petroglyph Survey, California and Nevada.
- 1973 Topographic surveyor (2 weeks, cumulative); UC Berkeley Field School, California.
- 1972 Topographic surveyor (1 week); Alder Canyon Survey, California.
- 1970-1971 Excavator (3 months, cumulative); Bancroft Ranch House Archaeological Investigations, California.
