

LARKIN R. CHAPMAN

cell phone: 556.554.1171

e-mail: larkinrc@unm.edu

RESEARCH INTERESTS

Foragers, zooarchaeology, paleoclimates, diet, western interior North America, Arctic and subarctic, climate change, ecology, stable isotopes, statistical analysis

ANALYTICAL SKILLS

R, SAS, TerraSync, ESRI GIS softwares, EcoSim, PAST, JMP, Grapher

LABORATORY PROCEDURES

faunal element identification, collagen extraction, hydroxyapatite isolation, statistical phylogenetic analysis, faunal processing for comparative samples

LANGUAGES

English (native)

French (bilingual oral and written fluency)

Russian (trilingual oral and written intermediate)

EDUCATION

B.A. in French May, 2020 – Iowa State University

B.A. in Anthropology May, 2020 – Iowa State University

Minor in Russian May, 2020 – Iowa State University

HONORS / AWARDS

Dean's High Impact Award for Undergraduate Research, 2019

Dean's List, fall 2016 – spring 2020

Kehlenbeck WLC Study Abroad Scholarship, 2019

Museum Research Traineeship, 2021

EMPLOYMENT HISTORY

2016-17 summer program coordinator Parks and Recreation, Muscatine, IA

2019 undergraduate research assistant WLC, Iowa State University

2020 Paleoecology Laboratory manager EEOB, Iowa State University

2020-21 graduate teaching assistant WLC, Iowa State University

FIELD EXPERIENCE

2017 (su) Blue Creek, Belize Maya Program, University of Texas –Tyler

2018 (su)	Paleo Crossing, OH	Quest Archaeological Research Program, SMU
2020 (su)	Shoshone Nat'l Forest, WY	GRSLE Archaeology
2021 (su)	Shoshone Nat'l Forest, WY	GRSLE Archaeology

MUSEUM RESEARCH ON EXTANT SITE COLLECTIONS

2017-19	Peccary Cave, AR
2019-20	Tillmont, WI
2019-20	Logansport, IA
2019-20	Howard Goodhue, IA
2019-20	Clarkson, IA
2020	Woodpecker Cave, IA
