

Curriculum Vitae

Amanda Emilia Dobrov

adobrov@unm.edu

Education

---

**University of New Mexico, Department of Anthropology**

M.A. program in Public Archaeology, expected May 2023

Fall 2021 – Present

Faculty Advisor: Dr. Kari Schleher

**University of California, Berkeley, Department of Anthropology**

B.A. Anthropology, received May 2018

B.A. Classical Civilization, received May 2018

Honors: Cum Laude, Phi Beta Kappa

Undergraduate Thesis: *Roman Amphoras of North Africa: Markers of a Pan-Mediterranean Economy.*

Work Experience

---

**Archeological Technician – 8/2019 - 8/2021**

*The Great Basin Institute, Joshua Tree National Park*

*Supervisor: Jason Theuer, jason\_theuer@nps.gov*

Conducted inventories of cultural resources in areas of proposed National Parks Service projects through performing on-the-ground area surveys for surface and subsurface evidence of historic and prehistoric archeological remains (following Section 106 and 110 guidelines). Duties also included conducting site visits, writing condition assessments, and monitoring for maintenance projects.

**Field Intern – 05/2019 – 8/2019**

*Crow Canyon Archaeological Center*

*Supervisor: Susan Ryan, SRyan@crowcanyon.org*

Supervised archaeological excavation of individual units, systematically collecting artifacts during excavation in order to preserve provenience, helping with processing artifacts post-excavation, and hands on teaching of basic excavation skills and archaeological principles.

**Museum Intern – 1/2017 - 5/2017**

*Freer/ Sackler Galleries, Smithsonian*

*Supervisor: Jefferey Smith*

Provenance research using Museum System (TMS), created hyperlinks to museum provenance records in an effort to help make museum records more transparent and accessible to the public.

Field Experience

---

**Tashbulak Archaeological Field Project – Summer 2018**

*University of Washington, Saint Louis*

*Directed by: Dr. Michael Fracchetti*

**American Academy in Rome: Palatine East Ceramics Project – Summer 2016 & 2017**

*University of California, Berkeley*

*Directed by: Theodore Peña*

**Santa Cruz Coastal Archaeological Project – Summer 2016**

*University of California, Berkeley*

*Directed by: Dr. Kent Lightfoot*

**Zita Archaeological Project – Summer 2014**

*Institute for Field Research*

*Directed by Dr. Brett Kaufman*

Research Experience

---

**Undergraduate Researcher – 08/2016 – 05/2018**

*Catalyst Project: At-Risk Cultural Heritage and the Digital Humanities*

*University of California, Berkeley*

*Supervised by Dr. Benjamin Porter*

Worked with Structure for Motion (Agisoft Photoscan) technology to create virtual 3D models of archaeological objects. The project eventually hopes to print the objects using 3D technology.

**Undergraduate Researcher – 08/2016 – 05/2018**

*Department of Anthropology, California Archaeology Lab*

*University of California, Berkeley*

*Supervised by Dr. Gabriel Sanchez*

Collected, read, and interpreted ethnographic and historical sources to recreate California's original landscape.

**Undergraduate Researcher – 08/2015 – 05/2017**

*Department of Classics, East Palatine Ceramics Project*

*University of California, Berkeley*

Digitized ceramic illustrations from the East Palatine Ceramics Project, using Adobe Illustrator.

**Undergraduate Researcher – 08/2015 – 05/2017**

*Department of Anthropology, Ceramics Laboratory Assistant*

*University of California, Santa Cruz*

*Supervised by Dr. Emma Britton*

Identified American Southwestern pottery and Cases Grades pottery; re-fired sherds for pottery for analysis.

## Languages

---

Italian: Speaking, reading, and writing fluency

French: Speaking, reading, and writing fluency

Russian: Speaking, reading, and writing fluency

Spanish: Basic speaking, reading, and writing

## Conference Presentations

---

Dobrov, A. Roman Amphoras of North Africa: Markers of a Pan-Mediterranean Economy. Poster Presentation. Society for American Archaeology, Washington D.C. 2018

Dobrov, A. Roman Amphoras of North Africa: Markers of a Pan-Mediterranean Economy. Poster Presentation. American Institute for Archaeology, Boston 2018

Dobrov, A. Roman Amphoras of North Africa: Markers of a Pan-Mediterranean Economy. Summer Undergraduate Research Fellowship Conference, Berkeley 2017

Dobrov, A. Roman Amphoras of North Africa: Markers of a Pan-Mediterranean Economy. Sacramento Archaeological Society Research Symposium, Sacramento 2017

## Grants, Fellowships, and Scholarships

---

Ryan Heumann Travel Award, UC Santa Cruz, 2014

Academic Opportunity Fund, UC Berkeley, 2016

Classics Summer Study Abroad Grant, UC Berkeley, 2016

Sacramento Archaeological Society Research Grant, UC Berkeley, 2016

Summer Undergraduate Research Fellowship, UC Berkeley, 2016

Institute for International Studies Conference Grant, UC Berkeley, 2017

Institute for International Studies Research Merit Scholarship, UC Berkeley, 2017

Museum Research Traineeship, University of New Mexico, 2021
