

*Curriculum Vitae*  
**VICTORIA MONAGLE**  
Department of Anthropology  
University of New Mexico  
Albuquerque NM, 87110  
(915) 929-1926  
vbowler@unm.edu

---

**EDUCATION**

- In Progress (ABD) Ph.D. in Archaeology, University of New Mexico, Albuquerque, NM  
Advisor: Dr. Emily Jones
- 2017 M.A. in Public Archaeology, University of New Mexico, Albuquerque, NM  
Advisors: Drs. Emily Jones and Bruce Huckell
- 2015 Archaeological Preservation Field School  
University of Arizona/Archaeology Southwest
- 2012 B.A. in Anthropology, University of Texas at El Paso, El Paso, TX

**AWARDS, GRANTS, AND FELLOWSHIPS**

- 2016, 2017, 2019 National Science Foundation Graduate Research Fellowship
- 2016 Archaeological Society of New Mexico Research Scholarship Award, \$1,000  
Latina Graduate and Professional Student Fellowship, \$500  
George C. Frison Institute Patrick Mullen Research Award, 2016, \$500  
El Centro de la Raza Student Professional Development Scholarship, \$300
- 2015 Archaeological Society of New Mexico Research Scholarship Award, \$1,000

**EXPERIENCE**

- 08/2020-05/2021, 01/2022-Present **Graduate Teaching Assistant**  
*University of New Mexico, Anthropology Department*
- Assists faculty members with classroom instruction, exams, and grading.
  - Tutors and mentors undergraduate students.
  - Meets with students during office hours.
  - Corresponds with undergraduate students on Blackboard.
  - Grades student discussions.
- 09/2019-06/2020 **Zooarchaeology Museum Fellow**  
*Georgia O’Keeffe Museum, Santa Fe, New Mexico*
- Identified museum collection of bones that were collected by Georgia O’Keeffe in her lifetime.
  - Documented the entire collection of bone elements with a camera and photo setup.
  - Edited all photos for museum use on website and other educational publications.
  - Wrote an article about findings to be published in the Georgia O’Keeffe Museum magazine.
  - Presented project summary and interpretations to the public.
- 06/2017-07/2017 **Archaeological Field School Teaching Assistant**  
*University of New Mexico, Anthropology Department*
- Supervised and assisted students in excavation of a Classic period (AD 1325-1600) Ancestral Pueblo site located near Placitas, NM.
  - Provided guidance to students in the field about cultural resources and archaeological field survey and excavation techniques.

- 06/2016-07/2016 **Archaeological Field Technician**  
*University of New Mexico, Anthropology Department*
- Conducted archaeological field survey work for National Park Service Southeast Arizona Group(SEAZ)-UNM Border Impacts Contract at Chiricahua National Monument(CHIR), Fort Bowie National Historic Site(FOBO) and Coronado National Memorial(CORO). This included cultural resource surveys and environmental monitoring.
  - Collected and recorded prehistoric and historic data and artifacts
  - Recorded and mapped archaeological sites
  - Used Trimble GPS system, compass, topographical maps, GIS software, and aerial photographs to record, monitor, and organize archaeological resources in field context.
  - Updated and created site records.
  - Performed archeological inventory to identify and assess the resources within the area that may be impacted by proposed projects.
  - Created archaeological reports for the cultural resource park program.
- 02/2016-05/2016 **Student Technical Specialist**  
*University of New Mexico Office of Contract Archaeology*
- Sorted, bagged, and labeled lithics, ceramics, metal objects, and faunal artifacts
  - Prepared laboratory collections for transport and storage
  - Created spreadsheets and artifact forms using Access and Excel
  - Checked and created inventories of laboratory collections
- 08/2015-05/2016 **Research Assistant**  
*University of New Mexico, Anthropology Department*
- Conducted artifact analysis for National Park Service Southeast Arizona Group(SEAZ)-UNM Border Impacts Contract at Chiricahua National Monument(CHIR), Fort Bowie National Historic Site(FOBO) and Coronado National Memorial(CORO).
  - Sorted, bagged, and analyzed lithics, ceramics, metal objects, and faunal artifacts from CHIR and FOBO.
  - Created Excel spreadsheets for artifact data from SEAZ sites.
  - Assisted in editing of NPS federal reports
- 07/2014-08/2015 **National Park Service Archaeological Technician, GS-5**  
*Southeast Arizona Group(SEAZ)-Chiricahua National Monument(CHIR), Fort Bowie National Historic Site(FOBO), Coronado National Memorial(CORO)*
- CHIR and FOBO Archeology Site Relocation and Monitoring: Relocated archeology sites and created maps from highly accurate GPS points for datums, rock features, and artifacts for site sheets. Monitored archeology sites and recorded changes in structures, features, and artifacts. Determined eligibility of sites for the National Register. Studied and monitored border impacts to archeological sites by UDA and Border Patrol trails. Assisted in assessing the budget for this project and designed strategies for monitoring and preserving sites in the future.
  - FOBO Mapping Project: Used RTK, Photogrammetry, and Agisoft Software to generate detailed 2D and 3D maps for future archeology site monitoring.
  - Historic Photo Archive Project: Worked at WACC and collected, scanned, and input data for CHIR Faraway Ranch historic photo collection.
  - Coordinated with Southern Arizona cartographer and archeologists from Arizona NPS sites.

- FOBO Archeology Report: Digitized over 150 FOBO archeology site maps for Archeology Report using Adobe Illustrator and assembled the final report using Adobe InDesign.
- Cultural Resource Briefs: Created briefs about cultural resource projects for SEAZ staff and members of the public, including border impact briefs for visiting members of the Senate and advice for the management of cultural resources.
- SEAZ Environmental Assessment: Completed Cultural Resource section of the SEAZ EA including list of Historic Structures and Cultural Landscapes Inventory.
- SEAZ Cultural Resource Data Management: Completely reorganized and structured cultural resource section on SEAZ drive.
- CHIR and FOBO Visitor Center duties: Worked in the Visitor Centers at both park sites, assisting the public with questions about site museums, trails, and histories.
- Natural Resource Projects(Assisted SEAZ Biology Technicians): Wildlife Camera Project, Barking Frog Soundscapes, Apache Spring Restoration Project, Bat Mist Netting, Seeds of Success Program

12/2013-06/2014

**New Mexico State Historic Site Ranger, GS-5**

*El Camino Real Historic Trail Site*

- Worked in museum and provided informal and formal interpretation to visitors about El Camino Real de Tierra Adentro.
- Created and implemented a Jr. Ranger Program on site.
- Oriented visitors to historic sites in New Mexico and explained historical significance of Spanish heritage in the history of the U.S.

03/2013-05/2013,  
08/2013-11/2013

**National Park Service Interpretive Park Ranger**

*Gila Cliff Dwellings National Monument*

- Led public tours at Gila Cliff Dwellings and cultivated respect and concern for American Indian sites and culture. Focused on Puebloan peoples and promoted public education of stewardship and archeology site protection.

06/2013-08/2013

**National Park Service Cultural Resource/Archaeological Intern**

*Lincoln Home Historic Site(NPS) and Illinois State Museum*

- Excavated two test units on a piece of property belonging to Jameson Jenkins, a "conductor" on the Underground Railroad.
- Processed 1,278 artifacts in the laboratory, which included drying, sorting, bagging, labeling, and preserving. Analyzed faunal remains, created site maps, and researched glass and ceramic styles/productions from early 19<sup>th</sup> century.
- Co-authored research paper for 2013 Archeological Midwest Conference.

05/2012-03/2013

**National Park Service Volunteer Interpretive Ranger**

*Chamizal National Monument*

- Worked at a border park and communicated with the public in the Visitor Center and at major events.
- Assisted park historian with Chamizal Oral History project and organized museum collections and archives.

08/2012-12/2012

**Anthropology Association President**

*University of Texas at El Paso*

- Led anthropology/archeology themed field trips to historic sites and promoted positive student and public interactions at interpretive fairs and events.

08/2011-12/2012 **Cultural and Environmental Resource Management Course and Archeology Laboratory Course**  
*University of Texas at El Paso*

- Learned about legal responsibilities of landowners, developers, businesses and government agencies to address environmental issues during project planning and implementation. Studied Environmental Impact Assessments and learned how to consult with Native American groups regarding land use issues. Introduction into NAGPRA. Introduced to the processes of resource identification and evaluation, determination of adverse effects, and mitigation of impacts.
- Worked in the Archeology laboratory and processed artifacts from Three Rivers. New Mexico.

### **VOLUNTEER POSITIONS**

09/2015-12/2015 **Museum of Southwestern Biology Volunteer**

- Assisted museum curators with specimen preparation and preservation of mammals for curation and storage.

10/2015-11/2015 **Jornada Research Institute Volunteer**

- Assisted in two day long excavations consisting of a pueblo mission, a puebloan pithouse, and a great Kiva in New Mexico.

11/2015 **New Mexico Archaeological Conference Volunteer**

08/2017-05/2018 **Anthropology Graduate Student Union Vice-President**

### **REPORTS**

Terrance J. Martin, Dennis Naglich, Victoria Bowler, and Timothy Townsend 2013. Initial Excavations on the Jameson Jenkins Lot at the Lincoln Home National Historic Site, Springfield, Illinois. 59<sup>th</sup> Annual Midwest Archaeological Conference, Columbus, Ohio (October 24-27).

Dennis Naglich, Terrance J. Martin, and Victoria Bowler. 2013. *Jenkins Lot, 2013 Excavations, Lincoln Home National Historic Site*. Illinois State Museum Landscape History Program Technical Report 2013-2094-4. Prepared for Lincoln Home National Historic Site, Springfield, Illinois.

### **CONFERENCE PAPERS**

2017 Bowler, Victoria, Emily Lena Jones and Cyler N. Conrad "The Canids of Arroyo Hondo: A Reanalysis." Paper presented at the 82nd annual meeting of the Society for American Archaeology in Vancouver, B.C., March 29-April 2.

### **PUBLICATIONS**

*In prep* Taylor, William, Cassidee Thornhill, Emily Jones, Gregory Hodgins, Victoria Monagle, Sarah Trabert, Brandi Bethke, Joan Brenner-Coltrain, Petrus Le Roux, Patrick Roberts, Carlton Gover, Nicole Boivin, and Ludovic Orlando  
Early dispersal of domestic horses into the Northern Rockies

*In press* Monagle, Victoria  
Framing the landscape: Still life in the Southwest. O'Keefe: The Georgia O'Keefe Museum Magazine.
