## **UNM Department of Anthropology**

## **Pre Approval Travel Request and Travel Funding Request**

All faculty must provide a travel request for pre-approval to the Department Chair prior to travel in order to inform the department of planned leave, how scheduled classes and other responsibilities will be covered during your normal work hours. This applies to all travel within regular working hours, regardless of whether reimbursement/funding is requested, or if it is personal/non-work related travel. During the summer months, this form is required if you will be using University funds to support travel. For non-faculty or non-UNM constituents that will be paid from UNM funds, the pre-approval form is also required.

To request pre-approval, please email this completed form to the Department Chair and Department Administrator. For grant funded requests, the Principal Investigator is also required on the pre-approval form.

| Name  |                               | Date                  |       |
|---|-------------------------------|-----------------------|-------|
| Emergency Contact Name                        |                               | Phone                 |       |
| Travel Dates                                  |                               |                       |       |
| Beginning date of travel/departure            | e (month/day/ye               | ear)                  |       |
| Ending date of travel/return date (           | month/day/yea                 | r)                    |       |
| Destination(s)                                |                               |                       |       |
| Type of Travel ( <u>check all that appl</u> y | <b><u>v</u>)</b> Business/Pro | ofessional Personal _ | Other |
